

**WIE Scholar Report On Experience Sharing of IEEE Women In Engineering
International Leadership Summit 2019 - Bangalore, India**
By Ms. Nuwini Chamindi from University of Colombo School of Computing

It has been a great moment conducting an experience sharing session on the IEEE WIE International Leadership Summit 2019 - Bangalore, India as one of the IEEE Region 10 WIE scholars in Sri Lanka this August where I met many intelligent and sharp colleagues and passionate juniors from University of Colombo School of Computing, Sri Lanka.

The experience session was organized by the Executive Committee members of the IEEE WIE Student Branch Affinity Group of University of Colombo School of Computing, under the supervision of myself, being the facilitator for the session. The session ran up to one-hour accommodating questions and answers from the audience. The title of the presentation was “My Experience in IEEE WIE International Leadership Summits” where the session was themed as “Road to Success with WIE”.

The following are the main topics that I covered during the experience sharing session.

1. An introduction about myself/ IEEE WIE and IEEE WIE Sri Lanka Section
2. Mission and Vision of IEEE WIE and opportunities provided by IEEE WIE
3. IEEE WIE around the globe and what is IEEE WIE ILS
4. Objectives of IEEE WIE ILS and IEEE WIE ILS Summits 2019
5. Themes of IEEE WIE ILS Bangalore and tracks of IEEE WIE ILS Bangalore
6. Timelines of the sessions and snaps from IEEE WIE ILS Bangalore
7. Snaps from IEEE WIE ILS Beijing and key takeaways from IEEE WIE ILS
8. How to make an impact and Q & A
